The Contracting Authority (Ministry of Finance) intends to award a service contract of a Technical Assistance Team to support the Ministry of Gender, Children and Social Protection (MoGCSP) through the support in;

- establishing effective coordination mechanisms between the existing social protection programmes aimed at achieving a coherent social protection floor.
- implementing and institutionalising effective coordination mechanisms at the decentralised level (to support the Local Government Service) with a focus on establishing strong linkages between social protection and active labour market interventions at the district level.
- providing support for the modernisation of training and curricula to the institutions active in social protection education and training.
- building capacity for efficient and effective management processes at the Ministry of Gender, Children and Social Protection and at the local level.
- strengthening the legal and regulatory framework for social protection and establish mechanisms to promote social accountability.

The indicative duration of the Technical Assistance is 36 months.

The programme is supported with financial assistance from the “**Ghana Employment Social Protection Programme (GESP)**” under the 11th European Development Fund (EDF). The contract notice is available on the EuropeAid website:
