PART B: BUDGET PROGRAMME SUMMARY

PROGRAMME 1: MANAGEMENT AND ADMINISTRATION

Budget Programme Objectives

- ➤ Boost revenue mobilization, eliminate tax abuses and improve efficiency
- > Improve public expenditure management and budgetary control
- Improve local government services and institutionalize district level planning and budgeting
- Ensure effective human capital development and management
- Enhance CSOs engagement in public policy decision making
- Ensure effective human capital development and management

1. Budget Programme Description

The Management and Administration Programme provides administrative and logistical support for efficient and effective operations of the Assembly. It ensures efficient management of the financial and material resources as well as promoting good working relationship with the staff and stakeholders.

In all, a staff strength of about 69 personnel from Central Administration, Finance and Revenue Unit, Planning, Budget and Human Resource management unit will assist in the implementation of the programme. The sources of funding of the programme are DACF, DDF, GOG and IGF. The main challenges that are likely to impede the smooth execution of the programme are inadequate logistics and staff.

BUDGET SUB-PROGRAMME SUMMARY

PROGRAMME1: Management and Administration

SUB-PROGRAMME 1.1 General Administration

1. Budget Sub-Programme Objective

Enhance CSOs engagement in public policy decision making

2.Budget Sub-Programme Description

This sub-programme provides logistical support such as transport, cleaning services, security, maintenance, stores management and human resource management. The sub- programme also seeks to enhance effective and efficient service delivery. This would be done through the implementation of government policies with major operations like:

- Stakeholders meetings, workshops/seminars for the staff of the Assembly
- -Effective and efficient management of financial resources
- -Training and staff development
- -Recruitment of adequate staff with the requisite skills, knowledge, competencies and attitude among others.
- -Periodic assessment of staff for improved service delivery, capacity enhancement and promotion.

The sources of funding for the sub-Programme include DDF, DACF, GOG and IGF.

The major challenge to the effective implementation of this sub- programme would be low IGF mobilization and the late release of statutory funds such as DACF.

SUB-PROGRAMME 1.2 Finance

1. Budget Sub-Programme Objective

Boost revenue mobilization, eliminate tax abuses and improve efficiency

Improve public expenditure management and budgetary control

2. Budget Sub-Programme Description

The sub-programme seeks to ensure an increase in revenue generation, through effective and efficient strategies. This can be achieved through training of revenue collectors and data management, regular monitoring to reduce revenue leakage, build credible database on businesses, outsource some revenue items, cede some revenue items to zonal councils and ensuring effective functioning of the internal audit unit.

The units that would play key role in the sub-programme are Accounts/Finance, Revenue, Budget and Internal Audit divisions. The sub-programme will be funded by DDF, DACF and IGF.

Beneficiaries of the sub-programme are the Revenue unit, zonal councils, Assembly Members, and the citizenry of the municipality.

The major challenges of the sub-programme are inadequate logistics like vehicles, Motor bikes and incentive packages.

SUB-PROGRAMME 3.2 Public Works

1. Budget Sub-Programme Objective

❖ Promote sustainable, spatially integrated and orderly human settlement

2. Budget Sub-Programme Description

This Sub-Programme seeks to co-ordinate the construction, rehabilitation, maintenance of public buildings.

The organizational Unit involved is the Municipal Works Department of the Assembly.

The sub-programme is funded through District Assemblies Common Fund, Internally Generated Fund, District Development Facility, GOG and MP's Common Fund.

The beneficiaries of the sub-programme are the stakeholders of Municipality.

The Department has a total staff strength of five (5) to oversee the effective delivery of the projects and operations of the sub-programme.

The major challenge confronting the sub-programme is inadequate logistics-reliable means of transport for routine monitoring and inadequate and late release of funds for operations especially in the area of monitoring and evaluation.

BUDGET PROGRAMME SUMMARY

PROGRAMME 4: ECONOMIC DEVELOPMENT

1. Budget Programme Objectives

- Strengthen processes towards achieving food sovereignty
- Improve post production management
- Provide youth with opportunities for skills training, employment and labour market information

2. Budget Programme Description

The program would identify updates, disseminate technological packages and assist farmers to stay abreast with good industry practices. Programs and projects would be executed to adopt appropriate technologies. The sub-program is responsible for improving advocacy on nutrition and food fortification whiles reducing post-harvest losses. Micro and Small Enterprises (MSEs) production would be increased through capacity building activities as a way of increasing job creation.

The creation of enabling environment to facilitate export trade and increase participation of small to medium holders in the marketing of agricultural commodities locally would be enhanced and also to improve on the existing market infrastructure; grading and standardization systems, market intelligence; and strengthen the capacity of stakeholders along the value chain. Sustainable land and environmental management (SLEM) practices in agriculture would be facilitated by promoting SLEM technologies; creating awareness and building locally based institutional capacity by setting and monitoring a supporting policy environment. Adoption of improved technologies would be facilitated by building capacity for technology application and enhancing access to research information and findings

The organizational units responsible for delivering the sub-program are the Department of Agriculture, NBSSI and other NGOs.

The beneficiaries of the sub-program are farmers, small scale enterprises and other stakeholders along the value chain. The main sources of funding are GoG, IGF, DACF and Donor (CIDA).

The staff strength of the department of Agriculture to execute the operations stands at 19 and 3 for BAC.

The challenges faced in the delivery of this sub-program are:

- Inadequate and late release of funds for activities.
- · Inadequate logistics and facilities such as vehicles for farm visits

KPANDO MUNICIPAL ASSEMBLY

PROGRAMME4: ECONOMIC DEVELOPMENT

SUB-PROGRAMME 4.1 Agricultural services and management

1. Budget Sub-Programme Objective

- 1. Strengthen processes towards achieving food sovereignty
- 2. Improve post production management

2. Budget Sub-Programme Description

The sub-program will be delivered through Field and home visits by the Agricultural technical staff, Field demonstrations to showcase technologies and innovations available to the beneficiary farmers. There will also be capacity building of staff and the beneficiary farmers.

Resource persons will be engaged for capacity building exercises in situation where the capabilities are beyond the staff of the Department of Agriculture.

The Sub-program will be executed by the following institutions, Agencies and individuals in the District and beyond: Department of Agriculture, Veterinary Services, Plant Protection & Regulatory Services, Community Development and Farmer Based Organizations, individual farmers, processors and other stakeholders.

The sources of funds for the execution of the Sub-program will be Donor funds (CIDA), Government of Ghana (GOG), District Assemblies Common Fund and IGF.

The ultimate beneficiary of the above sub-program is the target farmer who receives the extension services that is brought to bear on the agricultural venture into which he/she derives sustenance or monetary value

The staff strength of the Department stands at eighteen (19). This is made up of various levels of technical expertise.

The key challenge anticipated in the execution of the Sub-program will been the late release of funds for timely execution of programs.

The Department of Agriculture primarily undertakes farmer field based programs, unfortunately the Department is heavily under resourced especially in the area of reliable means of transport to reach farmers on time.

Resources for day to day activities are inadequate for effective and efficient service delivery.
